The Major Cults - Spawn of the Antichrist

Seminar Leader: Dick Atkins (Room 205)

This seminar examines eight major cults in American society today: the Mormons, the Seventh Day Adventists, the Jehovah's Witnesses, the Christian Scientists, the Armstrongites (Worldwide Church of God), the Freemasons, the Theosophists, and the Scientologists. Each one of these cults promotes wrong views of the place of Jesus Christ in the Trinitarian Godhead. In 1 John 4:3 it is stated that, "...every spirit which does not confess Jesus is not of God. This is the spirit of Antichrist, of which you heard that it is coming, and now it is in the world already." Every true believer should be equipped to defend orthodox faith when confronted by religious falsehood.

Students and Children's programs will be held simultaneously.
Childcare will be available.

A COOPERATIVE BAPTIST FELLOWSHIP

CHURCHONTHEDRIVE.ORG

[illegible]

A group of four people, three adults and one child, are posing for a photo. On the left, a man with dark hair and glasses, wearing a red t-shirt and black pants, is barefoot and holding a small, colorful, patterned object. Next to him is another man with light hair and glasses, wearing a blue and white striped polo shirt and dark pants, also barefoot. On the right, a woman with blonde hair, wearing a white t-shirt and grey pants, is barefoot and holding a young child. The child is wearing a blue and white patterned shirt and dark pants. They are standing on a light-colored wooden floor in front of a wall with a vibrant geometric pattern of green, orange, and red diagonal stripes. A red cushioned bench is visible behind them.
